

CLAR8TY

# Calibr8

PRODUCT FACT SHEET

**GENE-LEVEL NUTRITION**

**VEGAN • NON-GMO • GLUTEN FREE**

\*These statements have not been evaluated by the Food and Drug Administration.

\*These products are not intended to diagnose, treat, cure or prevent any disease.

\*\*Recommended for ages 3 and up. For children under age 3, consult your physician.

# Calibr8

Clar8ty is proud to announce its flagship product, Calibr8, a breakthrough nutritional drink mix designed to unlock your body's natural primary antioxidant production at the genetic level. Inspired by clinical research and recent advances in the exciting fields of Nutrigenomics and Epigenetics, Calibr8 activates the most potent antioxidant and detoxification enzymes known to science: primary antioxidants. Essentially, it's nutrition communicating with your genes. Primary antioxidants, made by your body, are able to neutralize millions of times more free radicals than the secondary antioxidants found in most foods and dietary supplements on the market today.

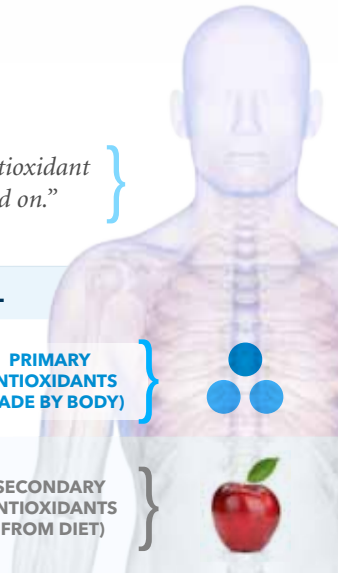

## Calibr8: Flipping The Wellness Switch

Sources of secondary antioxidants, super-fruits or Amazonian berries, can play a buffering role. However, these polyphenols are bulky molecules and have limited absorption to influence cellular oxidative stress. Fortunately, the nutrigenomic ingredient blends in Calibr8 "switch on" gene expression promoting the cells' own ability to optimize Superoxide Dismutase, Catalase and Glutathione Peroxidase. These critical primary antioxidant enzymes serve as catalysts to cellular defense. This is further enhanced by Sulforaphane activity using a proprietary bioactive enzyme, myrosinase; required to create the epigenetic response. Research has confirmed Sulforaphane activates over 200 defensive genes for cellular protection. It's widely regarded as the most multifunctional nutrigenomic compound known to science.

*Calibr8 helps activate your body's own primary antioxidant production. The genes are coded, just waiting to be "switched on."*

ANTIOXIDANT TYPE	PROTECTION LEVEL	
<b>SUPEROXIDE DISMUTASE (SOD)</b>	<b>HIGHEST</b>	<b>PRIMARY ANTIOXIDANTS (MADE BY BODY)</b> 
<b>CATALASE</b>	<b>EXCEPTIONAL</b>	
<b>GLUTATHIONE PEROXIDASE (GPX)</b>	<b>EXCEPTIONAL</b>	
GLUTATHIONE, COQ10	VERY STRONG	<b>SECONDARY ANTIOXIDANTS (FROM DIET)</b> 
CAROTENOIDS, VITAMIN	STRONG	
FLAVONOIDS, VITAMINS A, C	STRONG	
MINERALS, PROTEINS	MODERATE

\*\*Recommended for ages 3 and up. For children under age 3, consult your physician.

# Inflammation

## The Root Of All Degenerative Ailments

The global attention from universities and leading research institutions has revealed a common foundation for all degenerative illnesses and ailments – chronic inflammation. Where the inflammation is most prevalent, determines the nature of the condition. For example, lung inflammation may lead to bronchitis or asthma. Unfortunately, these conditions can worsen when besieged by further toxins and oxidative stress from free radicals.

When properly functioning, our bodies are already coded to produce potent primary antioxidants that can inhibit destructive free radicals at the source of the inflammation, within our cells. However, environmental toxins, aging, poor lifestyle and diet choices, diminish our cells' ability to produce its own primary antioxidants. Calibr8 helps restore this fundamental cellular production back to optimum levels. Essentially, Calibr8 is nutrition working at the genetic level. Conveniently packaged as a great tasting powdered mix, Calibr8 is available in both adult and kids versions. Simply add water, stir, and enjoy.

## Are You Ready To “Switch On”?

### DEGENERATIVE AILMENTS

*caused by inflammation  
in various parts of the body*

#### NEUROLOGICAL DISEASES

#### AUTOIMMUNE DISEASES

#### PULMONARY DISEASES

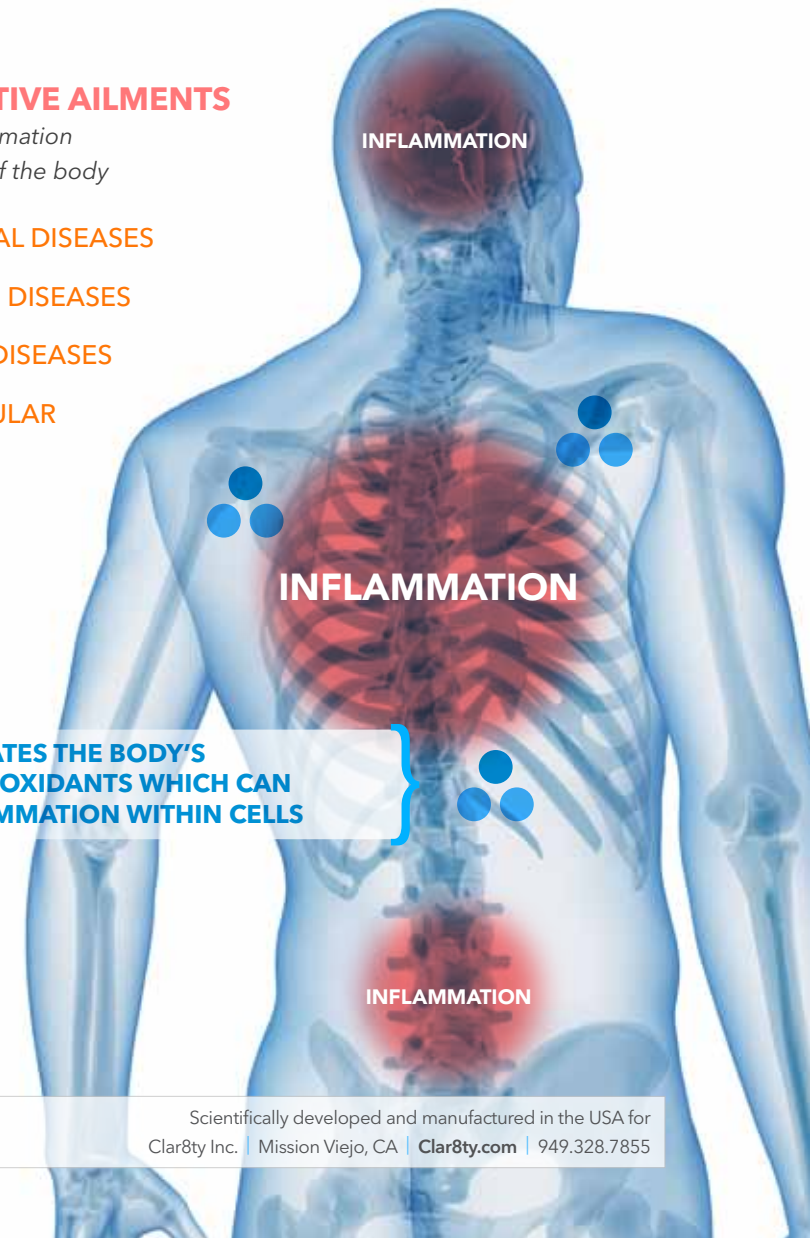

#### CARDIOVASCULAR

#### DIABETES

#### ARTHRITIS

#### CANCER

**Calibr8 ACTIVATES THE BODY'S  
PRIMARY ANTIOXIDANTS WHICH CAN  
INHIBIT INFLAMMATION WITHIN CELLS**

\*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

\*\*Recommended for ages 3 and up. For children under age 3, consult your physician.

## Key Ingredients

**Broccoli Sprouts (Sulforaphane - proprietary process):** Bioactive and highly standardized, it retains the crucial enzyme; myrosinase. Highly absorbable and based on global research that indicates it helps activate a potent epigenetic switch that promotes beneficial activity of Nrf2, QR, Glutathione Peroxidase (GPx) and other crucial enzymes for detoxification and cellular defense, as well as help suppress NF-kb, a regulator of inflammation.

**Superoxide Dismutase - Extramel® (Patent):** A proprietary melon concentrate. This potent antioxidant helps alleviate stress, fatigue, irritability, and pain; promote better sleep, increase concentration and optimize internal Superoxide Dismutase production.

**Chaga Mushroom:** Prized by various cultures for its healthful properties, it is rich in nutrients: SOD, B vitamins, flavonoids, phenols, minerals, enzymes, and pantothenic acid.

**Curcumin C3® (US Patent #6,653,327; EP1171144; AU2006235807; NZ514884; EP1328263):** Extracted from the roots of the turmeric plant it contains clinically safe; 95% tetrahydrocurcuminoids. Reduces inflammation while eliminating and preventing the formation of free radicals.

**BioPerine®:** Contained in certain black pepper plants, BioPerine® has been shown to enhance absorption of nutrients such as vitamin C, selenium, beta-carotene, vitamin A, and vitamin B-6.

**Black Cumin:** An herb indigenous to south and southwest Asia. The extract is an excellent antioxidant that reduces inflammation and supports immunity response regulation.

*Other ingredients include: Resveratrol, Quercetin, Probiotic Blend and more.*

## Key Benefits

- **PROMOTES PRIMARY CELLULAR DEFENSE ACTIVITY**
- **SUPPORTS INCREASED ENERGY, STAMINA AND RECOVERY**
- **ENHANCES MENTAL SHARPNESS AND CLARITY**
- **HELPS ELIMINATE TOXINS INCLUDING HEAVY METALS**
- **SUPPORTS THE IMMUNE SYSTEM**
- **MITIGATES THE AFFECTS OF INFLAMMATION AND OXIDATIVE STRESS**
- **PROMOTES A GLOWING COMPLEXION**
- **VEGAN, NON-GMO AND GLUTEN FREE**
- **NO PRESERVATIVES, NO SOY, NO ARTIFICIAL SWEETENERS OR FLAVORS**

AFFILIATE INFORMATION

\*These statements have not been evaluated by the Food and Drug Administration. These products are not intended to diagnose, treat, cure or prevent any disease.

\*\*Recommended for ages 3 and up. For children under age 3, consult your physician.

## Calibr8

### Supplement Facts

Serving Size: 3.3g

Servings per Container: 30

	Amount Per Serving	% Daily Value*
<b>Calories</b>	5	
<b>Total Carbohydrate</b>	2g	1%
<b>Protease</b>	40 Units	**
<b>Amylase</b>	200 SKB	**
<b>Lipase</b>	40 FIP	**
<b>Cellulase</b>	40 CU	**
<b>Lactase</b>	40 Units	**

<b>Probiotic Lactobacillus Cultures</b>	.15 Billion (Active Cultures)	**
Lactobacillus rhamnosus, L. acidophilus, Streptococcus thermophilus, L. brevis, Bifidobacterium infantis (lactis), B. bifidum, L. plantarum & L. casei		

<b>Clar8ty Proprietary Botanical Blend</b>	853 mg	**
HiActives® Broccoli Sprout Powder 5,000ppm Sulforaphane from Broccoli (Brassica oleracea) Sprouts, Black Cumin (Nigella sativa) Seed Powder, Shilajit Extract, tetrahydrocurcuminoids (C3-Reduct®), Selenium Yeast (Saccharomyces cerevisiae) Powder, Extramel® Melon Extract, Polygonum cuspidatum (20% Resveratrol), Quercetin (Sophora japonica) 95% HPLC, Chaga Mushroom (Inonotus obliquus) Extract, Bioperine (Piper nigrum) Extract		

\* Percent Daily Value Based on a 2,000 Calorie Diet \*\* Daily Value Not Established

**Other Ingredients:** All Natural Flavors, Citric Acid, Red Beet Juice (for color), Ovasweet (Stevia & Tapioca), Pyureblend SOA (Organic Stevia & Agave Extract Blend), Purple Carrot Extract (for color)

## Calibr8 kids

### Supplement Facts

Serving Size: 2.9g

Servings per Container: 30

	Amount Per Serving	% Daily Value*
